A. S. ROE'S WORKS.

Complete in 4 vols., 17mo, cloth. Price 64 7h.

There is no writer of the present day who excels this charm in anther in the natural and home-like, simplicity of his styl and the sustained interest and truthfulness of his narrative, theusands of families and Sabbath Schools his books are read or erread with ever increasing delight. The young and of the quiet and ray, are alike fractinated by his pages. Rival editions of all his books have been published in Engiand, edited tions of all his books have been published in Engiand, edited

"To those who have read either of Mr. Roe's former book it is only necessary for us to say that this is fully equal to at them—and that is saying a great deal in its praise. The at their appears to have two objects in view; the first is to mone olize the entire interest of the reader, and the second to impanhedlity and valuable lessons. In both he has proved eminently successful."

"A. S. Ree." olize the entire interest of the reader, and the second to impleatibly and valuable lessons. In both he has proved eminen successful."

A. S. Roe, author of 'A Long Look Ahead,' and 'T Star and the Cloud,' is a fletion writer whose works may safely commended. He need not be compared with Scott, we construct the best of the common rabble of novel writers, and if we may see such a conclusion from the tree works of the which we have the common rabble of novel-writers, and if we may see such a conclusion from the tree works of his which we have the common rabble of novel-writers, and it we may see such a conclusion from the tree works of his which we have the common rabble of novel-writers, and it we may see that the work of his which we have the common rabble of novel-writers and its forced to hiot."

Mr. Roe's new book, 'The Star and the Cloud,' is a questionably the best story of the time, and it is not imposed.

chool by themselves, which will find imitators. They unique, full of human nature, and, what is remarkable in writer, each one seems to be an improvement upon the previo inc."

APPLETONS RAILWAY GUIDE is the acknowledge APPLETONS RAILWAY GUIDE is the acknowleged official organ of the Railway Companies, as will be seen by the following communication, which has been signed by the larger number of Railway Companies:

The undersigned having for some time past deemed it expedient that a reliable medium for the publication of Time Tables and Advertisements of our various Roads should be sustained, would state that D. Appiston & Go. commenced in July, 1856, the publication of a Railway Guide, in which each principal Road is represented by a separate may showing every station upon the Road, and the distance from one station to another. We consider that this publishes have conferred a benefit upon the traveling public by the publication of this work, and we recommend all those Railway Companies that have not bereto fore been represented therein, to make it a medium for advertising and to give it their support and add. The name of the first is a sufficient reasonity that the work of furnishing a reliable Guide will be fathingly continued. We would recommend the Railway Companies throughout the United States and the Canadas recognize and support Appletons Railway Guide a their official organ and that correct optics of time tables an advertisements be forwarded to them.
